The original wallhanging was made of *tiny floral prints* cut into 1.5 inch squares.

✚ Most of my Cross of Many Squares Quilt videos and patterns and photos are using **2.5 inch squares**.

You can use the same basic Paper Pattern for **any size** quilt... just change the size of your fabric squares to coordinate with the chart above. If your design wall isn't big enough, design it in sections.

*Pattern by SederQuilts @2016 made with permission, based on original quilt at St Raphael Episcopal Lutheran Church in Benson Arizona, designed by Carla, and pieced by Lebby.
